1. Project Summary: (Please provide a brief statement about the purpose that the laptops will serve in your project site.)

Nasco IT World is an organization founded on the premise that universal primary education is vital to the global community. The mission of Nasco IT World is to provide academic resources and to support educational initiatives in underserved communities by strengthening collaboration between African educators and their global counterparts.

Educational initiatives in these community-based settings provide greater access to technology and other educational resources that promote literacy. Our initiatives provide stepping-stones to opportunity and equality for disadvantaged children in Sub-Saharan Africa. Community technology and literacy programs are new to this region and face significant infrastructural challenges. They need the support of organizations that can provide resources, enhance and document effectiveness of educational programs, and facilitate partnerships. At present, there are very few organizations dedicated to supporting community technology and literacy programs in Sub-Saharan Africa. To make the Republic of Ghana a socio-economic success, especially in the field of skilled manpower in Information Communication Technology with high levels of productivity in Students to meet global competitive education demands. Focus will be on these areas

Increase literacy rates in Ghana's most underserved societies to global standards.

Help provide universal computer access and print literature for students, educators and their communities. We facilitate donation, transportation, distribution and management of all resources including books and literary support materials.

Foster meaningful interaction between African students/educators and their global counterparts.

Labdoo Laptop Recipient Agreement:

=====

Dear Laptop receiver:

We are very pleased to have the opportunity to contribute to your project by providing technology to help bridge the digital divide.

With every right comes responsibilities. Technology, when adequately used, can provide very powerful means to aid those that are most in need. But if used improperly, it can also damage our environment. By receiving the above items, you are automatically accepting to abide by the following Labdoo global responsibilities:

(1) The items received will be used only for the purpose described by your organization at the time you solicited this donation.

If you intend to use it for a different purpose, you will contact first the Labdoo team at contact@labdoo.org.

(2) In the case that an incidence occurs to any of the received items, you will contact the Labdoo team at contact@labdoo.org, including in your email the tagging number of the item(s) related to the incidence and a brief explanation. The following incidences must always be reported:

(2.1) At the end of life of any of the received items, so that the item can be properly recycled.

(2.2) When an item breaks, malfunctions or any change in its status.

(3) Every six months, please send an email to contact@labdoo.org with the list of laptops that you have and their status (working or not working).

We thank you for your commitment to make our world a better place and we wish you best of luck in your humanitarian mission.

The Labdoo Team.
