To our esteemed partner, On The Move e.V. and Labdoo.org e.V.,

**RE: ON THE MOVE e.V. & LABDOO.ORG e.V. APPRECIATION FOR PROGRAMME SUPPORT IN KENYA**

I am writing on behalf of Home of Brains Kisumu, Kenya “*A Center for Mental Health*”, established with support from On The Move e.V. (German NGO) in collaboration with Tinada Youth Organization (Kenyan NGO). I wish to express our sincere and deepest appreciation for the partnership and support offered towards the establishment of Home of Brains-Kenya. The center is of great help to our society considering the status quo of mental health in Kenya and it was long overdue.

With great big thank you, we also wish to appreciate Labdoo.org e.V. for the laptop donation to Home of Brains, Kisumu, Kenya, which now supports ICT learning for pupils and students from Migosi Primary School and M.A Junior Academy as well as other schools within Kisumu. The six laptops received have been of great help supporting pupils’ and students’ computer skills and proving great information that health is important in both education and their daily life. Through this we can successfully achieve our mission. We receive number of pupils and students who come for computer studies, games, information search and health lessons. Thank you so very much, your support will go a long way!

We also really appreciate ON THE MOVE e.V.’s financial support towards the foundation and establishment of the CENTER FOR MENTAL HEALTH in Kisumu, Western Kenya. We are grateful to Rick Wolthusen, CEO On The Move e.V., and the entire ON THE MOVE e.V. team, members, friends and partners for the program support. Rick and the entire team worked tirelessly day and night, helping with the establishment, offering pieces of advice, meeting potential partners, working towards the official opening and even offering mental health education to the society. Rick’s experience as a medical doctor was helpful as it gave us guidance and direction. For that we can never be grateful enough.

Thank you ON THE MOVE e.V., thank you LABDOO.ORG e.V. for the great support provided. We appreciate the work you do to help alleviate this project and we are so proud to have partnership impact seen within the Lake Victoria Region of Western Kenya as a result of the support. Together we can make more great impact on the lives of those we serve.

Yours sincerely
