Dear Sir/Madam,

**LETTER OF APPRECIATION FOR LAPTOPS DONATION**

On behalf of the College Management, I want to express our gratitude to you for the donation of the laptops to the college. It is our promise that the computers would be used to teach students computer skills and school courses for the benefit of the college and country thereof.

Nevertheless, we would be much grateful if you could provide more computers to the College to assist students in the Online Professional Licensing Examinations. Find attached pictures of the donation made.

Accept our thanks and gratitude for the donation.

Thank you.

Yours faithfully,

**NOELLA ANGLAERE (MRS)**
