MARIA MONTESSORI SCHOOL

“There is a genius in every child, and we ensure that our teaching methods, facilities, methods of supervision all combine to bring that genius out.”
Bonsu Boaten – Principal

“I see Maria Montessori School as a disciplined and a good school. I have known the school for the past sixteen years. All my four children have been schooling there and have been extremely successful. I admire the school because management encourages the students at the school to learn very hard and they have good and dedicated teachers.”
Mrs. Mary Owusu-Boampong – parent

“Maria Montessori School is one of the best schools in Kumasi. They believe that hard work is crowned with success. Therefore, anytime they present students to write the B.E.C.E., they always come out with flying colours.”
Maame Afua Nyarko – senior girl

“In our global world of great competition one needs to position him or herself in a decisive manner to achieve. Believe you me – Maria Montessori School is amongst the few schools that can assure you a good start.”
Albert Sagoe Paintsil – banker, former student
