## **Creation of HEG**

Founded in the year 2006 and established by Pastor Chum Joshua T, the Founding President. HEG is an independent association supported by members from different Regions all over Cameroon and partners within and out of Cameroon..

## **About us**

HEG is reaching out assistance to the underprivileged. Making sure people have Opportunities.

## **General Information**

The Help Extension Group(HEG), is a Registered Non-profit and Apolitical Organization that promotes Health, Education and Agriculture. HEG's members have acquired trainings in many fields of study. HEG has branches in different Regions of Cameroon with its Head Quarters in Mbengwi. It is a Committed Organization to UNICEF and Co-existence International. HEG is a Member of the Network of Organizations, Cameroon Coalition for Co-existence (CCC), Federation of Cameroonian Breastfeeding Promoters Association (FECABPA) and African Youth Association of NGOs (AYANGO). HEG is gaining Partnerships with Local and International Organizations. HEG is creating many direct and indirect job opportunities. The Help Extension Group (HEG) is working hard to free children from poverty, crime and prostitution. We view Education as a practical way to free people from an otherwise painful life

## **Our Mission**

HEG's Mission is to reach out assistance to the less-privileged people within and out of Africa by providing them with Education, Health, Food, Clothes, Shelter, etc.

HEG's focus is to save lives and improve on the living standards of people by bringing positive transformation, restoration and opportunities to the unreached people and communities. The Help Extension Group (HEG) is demonstrating and achieving these through Teaching and Humanitarian Aid. We believe that an effective positive change can be achieved through changing positively the knowledge and ways of thinking of the people. HEG's members have an extensive background in cooperate management, team building, leadership training, Christian ministry, rescue services, etc. HEG has limited its operations in the domains of Education, Health, Agriculture, Youth and Community Development, Environmental Management and Peace Building.
