Dear Sir/Madam

**REF: LETTER OF APPRECIATION FOR THE DONATED COMPUTERS AND OTHER ACCESSORIES**

Refer to the above caption.

Katondo Combined School in Ndola on the Copperbelt province of Zambia writes acknowledging receipt of fourteen (14) laptop computers, one (1) projector and other accessories in the first consignment and twelve (12) laptop computers in the last consignment.

We are indebted to express our profound gratitude to you Dr. Friedrich W. Lange and The Labdoo Organisation for the gesture of donating computers to our school. These gadgets are of great value to our learners and the teaching staff as well. Your generosity and thoughtfulness have made big difference in our lives as a school and we are deeply appreciative.

Your donation has not only provided the platform for our learners, it has also reminded us of the importance of kindness and compassion in our world. Your willingness to go above and beyond to help our school during period of **not having computers to a period of having** means more to us than words can express.

Please know that we will always remember your kindness and generosity and we hope that one day, we may have an opportunity to render help to make a difference to someone's life, just as you have done for us.

We are also aware that true companionship and patriotism goes with keeping promises and agreements, we therefore remind you that we will stand by your word and will not alter any computer software and all computers will be inscribed by Ministry of Works to avoid being stolen.

Once again thank you from the bottom of our hearts for everything you have done for us and wish you God's blessings.

Yours faithfully,

Mutuma Wendy
