

Dear Labdoo organization

We wish to render our sincere gratitude and appreciation to you all for the good gratitude of donating 20 laptops to our school for the students. This donation will coincide with IT skills to both students and teachers as it will enhance their ability to learn and be able to communicate globally.

We grant our innermost gratitude to Dr. Fredriech Wilhelm Lange for his personal gesture he showed to our school by doing setting and went further mile offering extra knowledge to our computer teacher voluntarily .

Our IT teacher is now teaching students covalently with fully equipped computers as each learner posses his or her own laptop during computer class.

We have realized that you people from Labdoo organization in Germany work exclusively and voluntarily basis and you often your spare time to others. Frankly we are really impressed with you from our bottom heart

You have actually done your part as Labdoo organization and now we are the one who has remain to make an effort to reach our destination by providing students with IT skills they needed for their future and be able to socialize and globally.

We promise to secure the 20 laptops and take good care of the them in order to serve the incoming learners too.

Below is a photo of students doing computer study .

We are very thankful to you once again.

On behalf of the Eden international school
