

INITIATIVE FOR RURAL DEVELOPMENT AND TRANSFORMATION –(IRUDET)-Hub

Introduction/ Back ground

Initiative for Rural Development (IRUDET)-Hub is a local Ugandan based not-for profit Organization established in 2015 and registered in 2016 to support initiatives that improve the livelihoods of communities in Buikwe and Mukono District. Our work targets the entire community with specific focus on children in and out of school, youths, elderly, and women.

Women empowerment project

VISION: To support communities in attaining improved standards of living and access socio-economic justice through empowerment, networking and alliance building.

MISSION: . To support communities to overcome socio-economic barriers and injustice.

CORE VALUES:

- Transparency
- Effectiveness
- Integrity
- Efficiency
- Gender Sensitive
- Accountability

Strategic Objectives

- **To** empower vulnerable households to overcome poverty and address food security through sustainable and inclusive production technologies.
- To support communities to overcome barriers to gainful employment through skills enhancement, secure tenure and access to capital among young people and women
- To increase availability and access to safer sexual and reproductive health services among Adolescents and Young people at facility, community and household level
- Support Communities to adapt to climate change through exposure to climate smart practices
- To empower ordinary citizens to undertake policy analysis and social accountability for equitable, accessible and accountable services .
