1. Project Summary: Asociatia Casa Buna from Romania stepped up during the pandemic and increase its presence in communitates where children will be left behind by the need for online education due to COVID. The NGO focuses on the end to end experience of children from families with different hardships and with help of volunteers they they take the kids to eye doctor, dental doctor and start them with online tutoring. Lots of kids that would've been considered unable to read where just porely diagonicated and with the help of this NGO they manage to get an education.
