Project Site: *kanky 9 chhyngmiteng - , Solukhumbu District,*

=====

1. Project Summary: (Please provide a brief statement about the purpose that the laptops will serve in your project site.)

Orjen choling monastery was established in 1998 to provide basic education and mostly focused Tibetan language to the local children and who are interesting about Buddhist religion. Previous to establishment of this monastery and chhyngmiteng village had to go to different monastery which was very hard and not possible for the small children. Currently, the school has 45 students with four teachers. Since the monastery is located in remote area, the monks do not have access to computer based education. Now they are changing different kind of educations also and they are thinking most important is internet. The concept of this project is to provide teaching and learning facility to the children through laptops so that they can learn with fun and also generates children's interest in learning process. The laptops will be used in teaching by teachers and also by students at the school for general knowledge, mathematics, science, English and entertainment.

Labdoo Laptop Recipient Agreement:

=====

Dear Laptop receiver:

We are very pleased to have the opportunity to contribute to your project by providing technology to help bridge the digital divide.

With every right comes responsibilities. Technology, when adequately used, can provide very powerful means to aid those that are most in need. But if used improperly, it can also damage our environment. By receiving the above items, you are automatically accepting to abide by the following Labdoo global responsibilities:

(1) The items received will be used only for the purpose described by your organization at the time you solicited this donation.

If you intend to use it for a different purpose, you will contact first the Labdoo team at contact@labdoo.org.

(2) In the case that an incidence occurs to any of the received items, you will contact the Labdoo team at contact@labdoo.org,

including in your email the tagging number of the item(s) related to the incidence and a brief explanation. The following

incidences must always be reported:

(2.1) At the end of life of any of the received items, so that the item can be properly recycled.

(2.2) When an item breaks, malfunctions or any change in its status.

(3) Every six months, please send an email to contact@labdoo.org with the list of laptops that you have and their status (working or not working).

We thank you for your commitment to make our world a better place and we wish you best of luck in your humanitarian mission.

The Labdoo Team.
