RE: REQUEST FOR LAPTOPS AND TABLETS

Karangura peak modern coffee farmers' cooperative society limited (KAPCCO) is legally registered entity by the ministry of trade and cooperatives found in Karangura sub county Kabarole district in Rwenzori region Uganda. The cooperative is a farmer owned with 700 registered members. The cooperative was established in year 2013 with an aim of improving the coffee production environment and collective marketing of small holder coffee farmers in the region.

PHYSICAL ADDRESS:

The cooperative is physically located in kyabwire zone, Nyakitokoli parish, Karangura Sub County, Kabarole district, Rwenzori region Uganda.

OUR VISION:

Empowered farmers contributing to sustainable socioenomic development in Rwenzori region.

MISSION

Improving the livelihoods of smallholder farmers by enhancing production and marketing of coffee and other crops through value addition and capacity b building

ABOUT OUR PROJECT:

The cooperative has started a program of empowering both youth and women in information communication technology (ICT) skills as coffee farmers as a way of enhancing their skills to enable them have farmer data base and search for international markets and prevailing coffee prices worldwide using laptop computers.

Tablets will help teachers/trainers in communication, photo and video coverage of on-going programs/activities. This is a viable strategy that will improve the living conditions of the youth and women in the coffee value chain.

PROJECT GOAL:

The goal of this project is to improve the standards of living and economic welfare of small holder coffee farmers in Kabarole district of Uganda.

TARGET BENEFICIARIES:

We are targeting 100 members and we have 3 professional teachers/trainers.

NUMBER OF LAPTOPS AND TABLETS NEEDED:

We are requesting for 10 laptops , 4 tablets and 01 projector.

STORAGE:

The cooperative has a proper storage of office equipment's including computers, well locked alongside with a security guard.
