Dear Sir / Madam

REF: THANK YOU LETTER

On behalf of SWIZIMAID Trust I would like to thank Labdoo Hub Zurich for donating laptops, we really appreciate your generous donation and please accept our heartfelt gratitude. The laptops are already being used at the Nook Centre. The donation will go a long way in increasing technology access to the less privileged people in our community and more importantly providing nook learners with technical education which is vital in self help projects they intend to undertake.

We are indeed thankful for such a donation, thank you for supporting us as we endeavor to make positive lasting impact to the less privileged people who shall be using the laptops.

SWIZIMAID Trust relies on generosity of donors such as yourself and is grateful for your support and we kindly request you to visit our website www.swizimtrust.com to see some of the programs we are running to improve the standards of living among the less privileged people in Zimbabwe.

Once again thank you for your support.

Yours Sincerely

Cornelius V Nyereyemhuka
SWIZIMAID Trust Director
